SUBJECT
MATHS

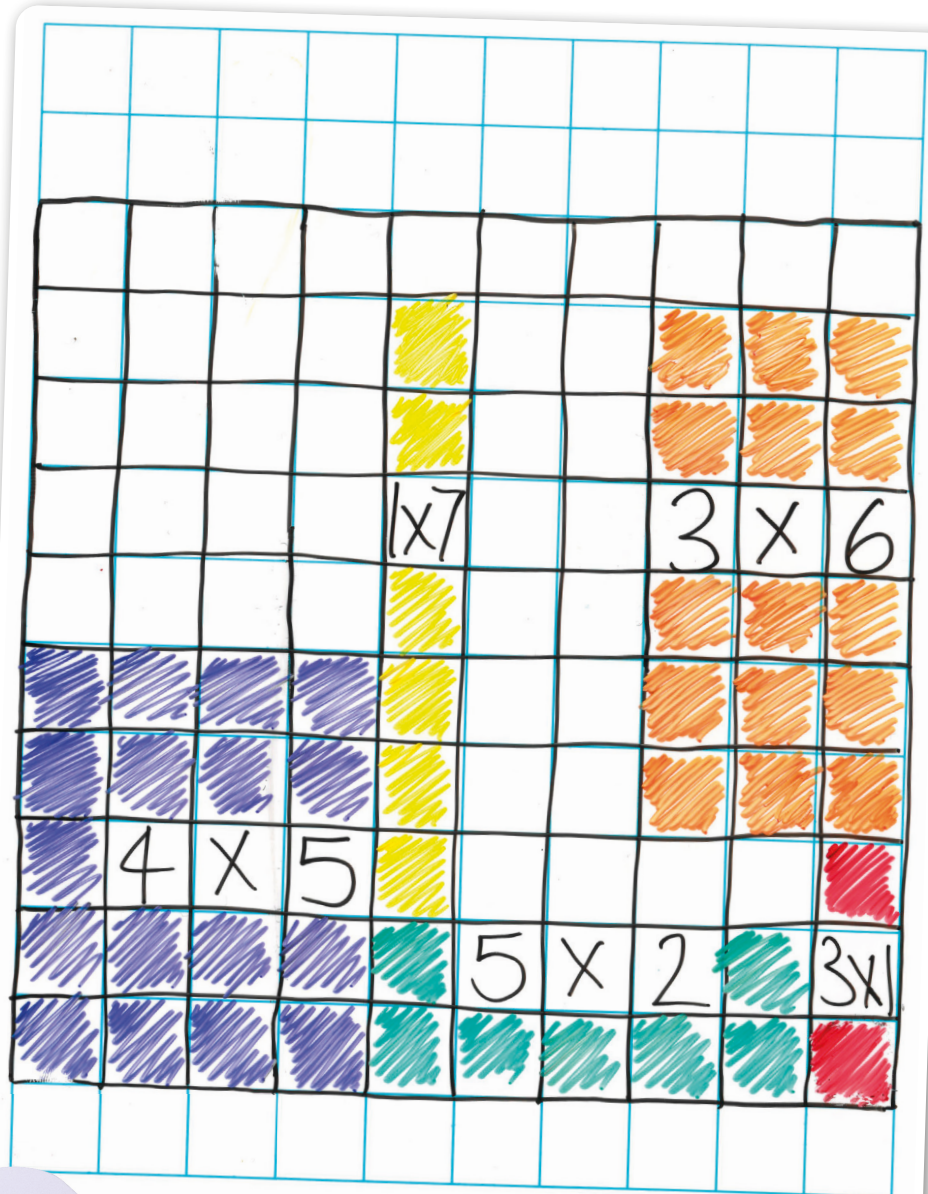

USE YOUR...
Gridded Whiteboard

Players should draw a 10 x 10 grid on their individual whiteboards, then take it in turns to roll two standard 1-6 dice.

They should then try to draw the numbers rolled as an array on their grid. If the array won't fit, they're out!

The last person playing is the winner.

IMPORTANT: DRYWIPE SURFACE. Use Show-me® Drywipe Pens for best results. Allow ink to dry before wiping. After each use with a Show-me® Mini Foam Eraser. To keep your Show-me® boards in good condition, regularly clean with Show-me® MAGIX Whiteboard Cleaner/Conditioner & Show-me® Super Absorbent WIZARD Wipes. showme.uk.com
