USE YOUR...
Isometric/Matrix Board

A Tessellation is when we cover a surface with a pattern of flat shapes so that there are no overlaps or gaps.

Ask your child to explore shapes that tessellate on their isometric grid. Encourage them to get creative, can they make up new shapes? What's the weirdest shape they can tessellate?

Show-me board®
A4 Matrix Whiteboard

IMPORTANT: DRYWIPE SURFACE. Use Show-me® Drywipe Pens for best results. Allow ink to dry before wiping. Wipe after each use with a Show-me® Mini Foam Eraser. To keep your Show-me® boards in good condition, periodically clean with Show-me® MAGX Whiteboard Cleaner/Conditioner & Show-me® Super Absorbent WIZARD Wipes. Manufactured in the UK. Eastpoint, NF32 2EX, UK www.show-meboards.com
