USE YOUR...
Plain Whiteboard

Have 2 teams or players.

If there are only 2 players, you may wish to record the words first on your phone or laptop

Draw a line down the middle of the whiteboard or use separate whiteboards.

Every time a word is called out, a player from each team races to spell it on their whiteboard. The first player to spell the word correctly, wins a point.

The winning team has the most correctly spelt words at the end of the list of keywords.

In the National Curriculum, there is a spelling list for each year group that you could use in this game.
